**DH Sutherland Achieves AS9100D Quality Certification**

Tuesday, November 5, 2019 – Beaverton, OR

Building on several recent investments, including an ISO7 certified cleanroom, DH Sutherland is proud to have achieved an additional quality certification, AS9100D to go along with its accreditations to ISO9001:2015, AS9120B and FAA AC:00-56B. With the AS9100D certification, DH Sutherland continues to develop its ability to create & deliver value to its customer & supplier partners.

President, Andrew Crouse shared, "This is an exciting accomplishment that the entire DH Sutherland team & I are thrilled to share the benefits with our customers by providing additional ways to convert materials into form-fit solutions for their applications."

**About DH Sutherland**

DH Sutherland partners with advanced composite manufacturers to qualify and supply technologies for lighter, stronger, and quieter products. From material qualification to production scaling, our technical expertise ensures your expeditious success. Founded in 1951, we are a full-service international trade organization certified to international, government and military quality standards. Our certifications include: ISO 9001:2015, AS 9100D, AS 9120 Rev B, FAA AC No: 0056B and we are a Woman Owned Small Business.

Sincerely,

Andrew Crouse, President
