

**May 17th, 2021****PRESS RELEASE****FOR IMMEDIATE RELEASE****CONTACT: Andrew Crouse****Phone: 503-626-8979****DH Sutherland Announces Strategic Partnership with Avio Commerciale**

DH Sutherland (Beaverton, OR) has announced a strategic partnership with Avio Commerciale (Casalpusterlengo, Italy) around material & process best practices for advanced composite manufacturers. The partnership will leverage each other's knowledge & experience in recreation and transportation advanced composite markets to bring customers new technologies and techniques from either side of the Atlantic Ocean.

Andrew Crouse, DH Sutherland President, says, "Partnering with Avio Commerciale is a very exciting initiative. In the time spent planning the strategic partnership it became clear, very early in the process that Avio Commerciale shares our company values and works as a trusted partner in pursuit of excellence. The DH Sutherland team is excited to act on advanced composite trends across the Americas and Europe to guide our customers to increased levels of success."

Andrea Losi, Avio Commerciale Sales Director, says, "DH Sutherland's culture and commitment to their customers makes for an exciting partnership that will help both companies bring greater value to their customers and suppliers. We expect exciting results immediately!"

**About DH Sutherland**

DH Sutherland partners with advanced composite manufacturers to qualify and supply technologies for lighter, stronger, and quieter products. From material qualification to production scaling, our technical expertise is solely focused on our customer's success.
